

SQ3R

READING COMPREHENSION
APPROACH

1 SURVEY

Gather information about the text and make notes. Look at the title, graphics, introduction, headings, etc.

2 QUESTION

Make questions based on the headings. What do you think the sections will be about?

3 READ

Read the text and try to answer your questions. Do you need to formulate new questions now?

4 RECALL

After each section, summarise what you read. Write down major points. Go back to the text if necessary.

5 REVIEW

Try to answer your questions.

Go back to the text if necessary. Take notes of helpful information.

K-W-L CHART

Organize information about a topic before and after learning more about it.

What is your topic?

K

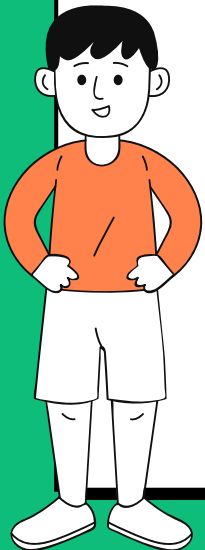

What you know

W

What you want to learn

L

What you have learned
